PHARMA SUMMIT 2024

2nd GLOBAL PHARMA & DRUG DELIVERY SUMMIT 2024

May 15-16, 2024 | Barcelona, Spain

CONFERENCE PROGRAMME

https://worldpharmasummit.com/

CONFERENCE PROGRAMME

DAY 1 - MAY 15, 2024

Hotel Catalonia Barcelona 505, Barcelona, Spain

Meeting Room: Tibidado		Hotel Catalonia barcelona 505, barcelona, Spani		
### Guest Talk Title: The Future of healthcare	08:00-08:30	Registrations		
Title: The Future of healthcare Daniel Guedelha, Switzerland Plenary Forum Title: Human nanomedicine: Real clinical trial results with nanomaterials Thomas Webster, Hobei University of Technology, USA Title: "Pharma As Key Industry" - Demonstrating the impact of pharma on growth and health Marco Penske, Boderinger Ingelheim, Germany Title: Natural killer cells derived evosomes to overcome resistance in long cancer Mandip Sachdeva, Florida A & M. University, USA Coffee Break 10:30-10:50 Morning Session Pharmaceutical Research & Development Pharma Market & Industry Report Mandip Sachdeva, Florida A & M. University, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, SAMAY Indocatories, Spain Title: Pre Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C.C. UB; Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Maria Alemany, Emerius, University of Barcelona, Spain Title: Global drug development Current trends, challenges and opportunities Gurpreet Singh, 10/14/16 Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-1:100 a Hotel Restaurants Al & M. in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill finish		Meeting Room: Tibidado		
Title: The Future of healthcare Daniel Guedelha, Switzerland	08:30-08:55	Welcome Notes		
Daniel Guedellm, Switzerland Plenary Forum Title: Human nanomedicine: Real clinical trial results with nanomaterials Thomas Webster, Hobei University of Technology, USA Title: "Plarma As Key Industry" — Demonstrating the impact of pharma on growth and health Marco Penske, Bochringer Ingelheim, Germany Title: Natural killer cells derived exosomes to overcome resistance in lung cancer Mandip Sachdeva, Florida A & MUniversity, USA Coffee Break 1030 10:50 Morning Session Pharmaceutical Research & Development Pharma Market & Industry Report Mandip Sachdeva, Florida A & MUniversity, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jürg Behrendt, SMVAT Laboratories, Spain Title: Pee Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Maria Alemany, Emerius, University of Burvelona, Spain Title: Global drug development — Current trends, challenges and opportunities Gurpreet Singh, IQVIA UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Plaarma, Spain Lunch Break 13:20 11:00 & Hotel Restaurants Evening Session Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill finish		Guest Talk		
Plenary Forum Title: Human nanomedicine: Real clinical trial results with nanomaterials Thomas Webster, Hebei University of Technology, USA 10:00-10:20 Title: "Pharma As key Industry" Demonstrating the impact of pharma on growth and health Marco Penske, Bochringer Ingelheim, Germany Title: Natural killer cells derived exosomes to overcome resistance in lung cancer Mandip Sachdeva, Florida A&M University, USA Coffee Break 10:30-10:50 Morning Session Pharmaceutical Research & Development Pharma Market & Industry Report Mandip Sachdeva, Florida A&M University, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, SAVAF Laboratories, Spain Title: The Fabrication for proxiding biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C-CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development Current trends, challenges and opportunities Gurperet Singh, IQVI U U Current trends, challenges and opportunities Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-11:00 @ Hotel Restaurants Evening Session Al & ML in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	00 00 00	Title: The Future of healthcare		
Title: Human nanomedicine: Real clinical trial results with nanomaterials Thomas Webster, Hebei University of Technology, USA Title: "Pharma As Key Industry" Demonstrating the impact of pharma on growth and health Marco Penske, Bochringer Ingelheim, Germany Title: Natural Killer cells derived exosomes to overcome resistance in lung cancer Mandip Sachdeva, Florida A & M University, USA Coffee Break 10:30-10:50 Morning Session Pharmaceutical Research & Development Pharma Market & Industry Report Mandip Sachdeva, Florida A & M University, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, SALAM Luboratories, Spain Title: Pee Fabrication for providing biocapacity to support pharma and biologics manufacturing at an affordable price Thomas Hauser, C-CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosteronic and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development Current trends, challenges and opportunities Gurprect Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-11:00 a Hotel Restaurants Evening Session Al & ML in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill finish	08:55 -09:00	Daniel Guedelha, Switzerland		
Thomas Webster, Hebei University of Technology, USA Title: "Pharma As Key Industry" Demonstrating the impact of pharma on growth and health Marco Penske, Boehringer Ingelheim, Germany Title: Natural killer cells derived exosomes to overcome resistance in lung cancer Mandip Sachdeva, Florida A & M University, USA Coffee Break 10:30-10:50 Morning Session Pharmaceutical Research & Development Pharma Market & Industry Report Mandip Sachdeva, Florida A & M University, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, SALVAT Laboratories, Spain Title: Pre Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Maria Alemany, Emerius, University of Barcelona, Spain Title: Global drug development Current trends, challenges and opportunities Gurprect Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-11:00 α Hotel Restaurants Evening Session Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish		Plenary Forum		
Thomas Webster, Hebei University of Technology, USA Tatle: "Pharma As Key Industry" — Demonstrating the impact of pharma on growth and health Marco Penske, Bochringer Ingelheim, Germany Tatle: Natural killer cells derived exosomes to overcome resistance in lung cancer Mandip Sachdeva, Florida A & M University, USA Coffee Break 10:30 10:50 Morning Session Pharmaceutical Research & Development Pharma Market & Industry Report Mandip Sachdeva, Florida A & M University, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, SAINAT Laboratories, Spain Title: Pre Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C-CUBL, Germany Title: Trendment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emerius, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, ROVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-1 E00 α Hotel Restaurants Evening Session At & ML in Pharmaccutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill finish		Title: Human nanomedicine: Real clinical trial results with nanomaterials		
Marco Penske, Bochringer Ingelheim, Germany Title: Natural killer cells derived exosomes to overcome resistance in lung cancer Mandip Sachdeva, Florida A & M University, USA Coffee Break 10:30-10:50 Morning Session Pharmaceutical Research & Development Pharma Market & Industry Report Mandip Sachdeva, Florida A & M University, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, S MAT Laboratories, Spain Title: Pre-Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C-CUB's, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emerius, University of Barcelona, Spain Title: Global drug development Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 a Hotel Restaurants Evening Session Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	09:00-09:20	Thomas Webster, Hebei University of Technology, USA		
Title: Natural killer cells derived exosomes to overcome resistance in lung cancer Mandip Sachdeva, Florida A & M University, USA Coffee Break 10:30-10:50 Morning Session Pharmaceutical Research & Development Pharma Market & Industry Report Mandip Sachdeva, Florida A & M University, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, SAIMAT Laboratories, Spain Title: Pre- Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-11:00 a Hotel Restaurants Evening Session At & ML in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish		Title: "Pharma As Key Industry" – Demonstrating the impact of pharma on growth and health		
Morning Session Pharmaceutical Research & Development Pharma Market & Industry Report Session Chair Mandip Sachdeva, Florida A & M University, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, SAWAT Laboratories, Spain Title: Pre-Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 a Hotel Restaurants Evening Session Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	09:30-09:50	Marco Penske, Boehringer Ingelheim, Germany		
Mandip Sachdeva, Florida A & M University, USA Morning Session Pharmaceutical Research & Development Pharma Market & Industry Report		Title: Natural killer cells derived exosomes to overcome resistance in lung cancer		
Pharmaceutical Research & Development Pharma Market & Industry Report	10:00-10:20	Mandip Sachdeva, Florida A & M University, USA		
Session Chair Mandip Sachdeva, Florida A & MUniversity, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, SAINAT Laboratories, Spain Title: Pre-Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in asceptic fill finish		Coffee Break 10:30-10:50		
Session Chair Mandip Sachdeva, Florida A & MUniversity, USA Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, SAINAT Laboratories, Spain Title: Pre-Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in asceptic fill finish	Maurina Cassian	Dhannagartical Passanah & Davidanmant Dhanna Mankat & Industry Panant		
Title: Trends, challenges and future outlook of the pharmaceutical Industry Jörg Behrendt, SALVAT Laboratories, Spain Title: Pre Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session Al & ML in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill finish	Morning Session	rnarmaceutical Research & Development rnarma warket & industry Report		
10:50-11:10 Jörg Behrendt, SALVAT Laboratories, Spain Title: Pre-Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C-CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session AI & ML in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	Session Chair	Mandip Sachdeva, Florida A & M University, USA		
Jörg Behrendt, SALVAT Laboratories, Spain Title: Pre-Fabrication for providing biocapacity to support pharma and biologies manufacturing at an affordable price Thomas Hauser, C-CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generics, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session Al & ML in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	10:50-11:10	Title: Trends, challenges and future outlook of the pharmaceutical Industry		
11:20-11:40 at an affordable price Thomas Hauser, C CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generics, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session At & ML in Pharmaceutical Industry Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill finish	10.90 11.10	Jörg Behrendt, SALVAT Laboratories, Spain		
Thomas Hauser, C CUBE, Germany Title: Treatment of metabolic syndrome in aging men using repeated cycles of transdermal free testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session Al & ML in Pharmaceutical Industry Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill finish	11:20-11:40			
testosterone and rest intervals Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generies, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session Al & ML in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	11.20 11.10	Thomas Hauser, C-CUBE, Germany		
Marià Alemany, Emeritus, University of Barcelona, Spain Title: Global drug development - Current trends, challenges and opportunities Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generics, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session Al & ML in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	11:50-12:10			
Gurpreet Singh. IQVIA, UK Title: Added value products, differentiated generics, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session AI & ML in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	11.00-12.10	Marià Alemany, Emeritus, University of Barcelona, Spain		
Gurpreet Singh, IQVIA, UK Title: Added value products, differentiated generics, global supply chain challenges Miquel Marti, Nasus Pharma, Spain Lunch Break 13:20 14:00 @ Hotel Restaurants Evening Session AI & ML in Pharmaceutical Industry Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish		Title: Global drug development - Current trends, challenges and opportunities		
Lunch Break 13:20-14:00 @ Hotel Restaurants Evening Session AI & ML in Pharmaceutical Industry Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	12:20-12:40	Gurpreet Singh, IQVIA, UK		
Lunch Break 13:20 14:00 @ Hotel Restaurants Evening Session AI & ML in Pharmaceutical Industry Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	12:50-13:10	Title: Added value products, differentiated generics, global supply chain challenges		
Evening Session AI & ML in Pharmaceutical Industry Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish		Miquel Marti, Nasus Pharma, Spain		
Session Chair Thomas Webster, Hebei University of Technology, USA Title: Rise of the robots in aseptic fill-finish	Lunch Break 13:20-14:00 @ Hotel Restaurants			
Title: Rise of the robots in aseptic fill-finish	Evening Session	AI & ML in Pharmaceutical Industry		
14:00-14:20	g : G :	Thomas Webster, Hebei University of Technology, USA		
	Session Chair	· Co		

14:30-14:50	Title: AI/ML in Pharma: State of regulations, guidance, and best practices. An assessment of implications and opportunities
	Carsten Jasper, Charles River Laboratories Microbial Solutions, Germany
15:00-15:20	Title: The true landing of AI to boost customer experience
	Juan Manuel García Jiménez & Javier Anaya Rivero, Sercómex Pharma, Spain
15:30-15:50	Title: Illuminating the black box: The imperative of explainable AI in pharma
	Casper Wilstrup, Abzu, Denmark
	Coffee Break 16:00-16:20
16.20 16.40	Title: New paradigm for drug discovery leveraging AI at scale
16:20-16:40	Title: New paradigm for drug discovery leveraging AI at scale Gunjan Bhardwaj, Partex NV, Germany
16:20-16:40 16:50-17:10	Gunjan Bhardwaj, Partex NV, Germany
	Gunjan Bhardwaj, Partex NV, Germany Title: The case for social entrepreneurship in drug discovery

DAY 2 - MAY 16, 2024

08:30-09:00	Registrations	
Meeting Room: Tibidado		
	Plenary Forum	
Moderator	Juan S. Rocha, Prefabricados Ponce S L, Spain	
09:00-09:20	Title: Life cycle economics and sustainability in pharma manufacturing – Case study: Critical utilities	
	Christian Lavarreda, Syntegon, Germany	
09:30-09:50	Title: Rare disease update- Are we witnessing the start of a new model?	
	Craig Dixon, The MASS Team, UK	
10:00-10:20	Title: Mitigating N-Nitrosamine risks with novel active material science innovations	
1000 100	Badre E. Hammond, Aptar Pharma, USA	
Morning Session	Clinical Trials & Case Studies Personalized Medicine	
Session Chair	Vladimir Jurisic, University of Belgrade, Serbia	
10:50-11:10	Title: Analyses of side effects of tyrosine kinase inhibitors therapy in patients with non-small cell lung cancer	
	Vladimir Jurisic, University of Belgrade, Serbia	
11:20-11:40	Title: The European Institute of Innovation and Technology (EIT Health): accelerator of healthcare innovation and transformation	
	Julien Venne, EIT Health, Spain	
11:50-12:10	Title: How DCT supports to increase trial diversity	
1100 1mil	Rosa Gonzalez Galindo, Syneos Health, Spain	
12:20-12:40	Title: Home visits in clinical trials for increased diversity, inclusiveness and high-quality data collection	
	Sofie Sibia, International Doping Tests & Management, France	

	Lunch Break 12:50-13:30 @ Hotel Restaurants	
13:30-13:50	Title: Date rape drugs detection	
	Ghadeer Abdelaal, Zagazig University, Egypt	
14:00-14:20	Title: Regulatory data integrity review in the context of clinical trials	
14:00-14:20	Nairoby Guzmán Rolo, SME Expert, Spain	
Evening Session	Pharmaceutical or Medicinal Chemistry Pharmacovigilance & Drug Safety	
Session Chair	Christian Lavarreda, Syntegon, Germany	
14:30-14:50	Title: Pharmacognostic analysis and biological activity of several valuable plants of Armenian flora	
	Naira Arshakyan, Yerevan State Medical University, Armenia	
15:00-15:20	Title: Evolution of viral safety requirements in the pharmaceutical and biotech industries: Past guidelines and current trends (AI/ML?)	
	Rodrigo Gajardo, BCNbiotech Consulting, Spain	
15:30-15:50	Title: The impact of COVID-19 on BNP, NT-proBNP and ANP in heart failure	
	Rawaz Dalzar Tawfeeq, Orenda Company, UK	
	Coffee Break 16:00-16:20	
16:20-16:40	Title: IA in evidence generation / surgical robotics and telemedicine	
	David Moure, International Healthcare Consultant, Spain	
16:50-17:10	Title: Connecting doctors and patients wherever they are	
	J. Aquilino Antuña, COMITAS E-HEALTH, Spain	
Poster Presentations @ 17:15-18:00		
4 Speaker Opportunities Available		
End of Conference & Closing Ceremony @ 18:00
