PHARMA TECH SUMMIT 2025

ZURICH, SWITZERLAND

JUNE 23-24, 2025

EVENT BROCHURE

Theme: Unveiling ai and data science in Pharma & Healthcare transformation

Website: <https://worldpharmasummit.com/> | **Email:** contactus@worldpharmasummit.com

ABOUT EVENT

The Pharma Tech Summit 2025 would like to invite Pharmacists, experts, professors, students, practitioners, medical specialists, clinical scientists, technologists, and other healthcare professionals to the Pharmaceuticals Utilitarian Conference going to be held in Zurich, Switzerland.

The Pharma Conference revolves around the theme – “Unveiling ai and data science in Pharma & Healthcare transformation” By attending the Pharma conference, you will have the chance to grow both career-wise and relation wise. Your presence will be much appreciated.

Zurich is the largest city in Switzerland and a significant center of the global financial system, Zurich is well-known for its excellent standard of living. The city, which is situated at the northernmost point of Lake Zurich, has a temperate climate with distinct seasons. Zurich's economy is fueled by the banking and finance industries, which include companies like Credit Suisse and UBS, as well as a burgeoning tech sector. With attractions like the Old Town, which dates back to the Middle Ages, Bahnhofstrasse, which offers opulent shopping, and museums like Kunsthaus Zürich, the city is rich in culture. ETH Zurich, one of the best institutions in the world, is located in Zurich and encourages innovation across many industries.

The Pharma Tech Summit 2025 hopes to fulfill the following objectives

1. To drive innovation in the pharmaceutical industry by bringing together global leaders and key stakeholders.
2. To create a collaborative environment where industry experts, academia, and regulatory bodies can share knowledge and ideas.
3. To focus on improving patient outcomes through the integration of advanced technologies and innovative practices.
4. To provide insights into the latest regulatory developments and compliance requirements in the pharmaceutical sector.
5. To discuss the importance of sustainability in the pharma industry and explore eco-friendly solutions.
6. To explore the impact of digital transformation on drug development, manufacturing, and delivery processes.
7. To build and strengthen global networks among pharmaceutical professionals, researchers, and policymakers.
8. To highlight and discuss emerging trends and future directions in the pharmaceutical and healthcare industries.

EVENT HOST

The People Events is establishing excellent, through communication between the academic scientists and business entrepreneurs in the related field or interdisciplinary actions. The People Events provides a world-class opportunity for the appearance and debate of cutting edge in business, science, medical, technology, engineering, life sciences, and their related fields. We provide a remarkable platform for networking opportunities, deliberations to enhance the growth of the business, science, research, and technology. People Events is one of the innovative organizers of international meetings, conferences, workshops, symposiums, and exhibitions. Our global meetings offer excellent content, incredible experience with international expertise, and amazing opportunities. We focus on event discussions, throughout the meeting, offer each attendee to get involved in the discussion.

CONFERENCE TOPICS:

- Healthcare 4.0: AI Revolution in Medicine
- Advanced Drug Delivery Systems
- AI & ML in Pharmaceutical Industry
- Clinical Trials & Case Studies
- Telemedicine
- Genomic Data
- AI Accelerates: Drug Discovery & Development
- Pharmaceutical Technology
- Personalized Medicine
- Pharmaceutical Research & Development
- Pharmacovigilance & Drug Safety
- Pharma Market & Industry Report
- Precision Pharma: AI's Next-Gen Role in Medicine
- Customized Treatment Plans
- Genetic Testing
- Data-Driven Health: Big Data Analytics
- AI in Radiology
- Health Informatics
- AI for Pharma: Innovations and Solutions
- Machine Learning Models
- Generative AI
- Wearable Technology
- Data Science
- Natural Language Processing
- Ethical & Regulatory
- Considerations in AI Healthcare
- AI in Oncology

VALUE PROPOSITION

Partnership with Pharma Tech Summit 2025 will be a key step for your company in fostering relationships with our community. Pharma Tech Summit 2025 will allow your company, product and brand to be uniquely and actively showcased at this exciting international forum. It will also allow your company to meet potential business partners, generate new ideas, gather new knowledge, foster collaborations and meet a very defined professional community. Our all-encompassing themes provide the content for a range of different forms of commercial participation and we will provide you with the opportunity to align your core value with those themes. Your relationship with Pharma Tech Summit 2025 will provide a highly efficient and effective business and marketing platform for your organisation to connect and engage with our global delegates. It will allow your company to showcase your products and services to a very dynamic and influential marketplace.

We've maximised delegate traffic:

- The exhibition will be held on the same level as the main auditorium
- All catering will be provided in the exhibition area
- A Charging and Business lounge will be located in the exhibition area
- All delegates will be encouraged to visit the exhibitors at the beginning of each keynote address
- Dynamic Presentation Area in the Exhibition Hall
- E-Poster Sessions in the Exhibition Halls

INCREASE YOUR REACH. STRENGTHEN YOUR IMPACT. BOLSTER YOUR INFLUENCE

KEY REASONS TO SUPPORT THE MEETING

Be part of the largest attended Pharma Summit 2024

THE VENUE

Zurich is a city where tradition and modernity blend seamlessly. As the largest city in Switzerland and the capital of the canton of Zurich, it is renowned for being the country's financial and cultural hub. Zurich is a leader in innovation, consistently pushing the boundaries in art, science, and cuisine. The city is brimming with energy, with a plethora of bars, restaurants, cafes, and clubs that make its nightlife vibrant and exciting. But Zurich is also the city of Dadaism and home to a rich artistic heritage. It offers stunning lake views, lush parks and gardens, a well-preserved medieval old town, world-class museums, and elegant restaurants that offer culinary delights.

WORLDWIDE ACCESSIBILITY

Zurich is known for its business-friendly environment and is one of Europe's key cities for global business and finance. The city's strategic location in the heart of Europe, combined with its robust infrastructure, makes it an ideal destination for international companies and investors. Zurich's modern transportation network ensures easy access to major markets across Europe within a matter of hours.

Zurich Airport, also known as Kloten Airport, is the largest airport in Switzerland and one of the major airports in Europe in terms of passenger traffic. It serves as a key hub for international travel, with direct flights connecting to major cities in North America, South America, the Middle East, Asia, and Africa.

Easy Access to the City

Zurich Airport (code ZRH) is conveniently located just 13 kilometers from the city center, making it easily accessible by various modes of transport. The airport is well-connected to Zurich's city center, with trains, trams, buses, and taxis available for quick and efficient transfers. A typical journey from the airport to the city center takes about 15 minutes by train, making Zurich Airport one of the most convenient and accessible in Europe. The seamless integration of transportation options ensures that visitors can reach the heart of Zurich quickly and comfortably.
